readers of beowulf have noted inconsistencies in beowulf's depiction as either heroic or reckless
heroic identity in the world of beowulf resolves this tension by emphasizing beowulf's identity as a foreign fighter seeking glory abroad such men resemble wreccan exiles compelled to leave their homelands due to excessive violence beowulf may be potentially arrogant therefore but he learns prudence this native wisdom highlights a king's duty to his warband in expectation of beowulf's future rule the dragon fight later raises the same question of incompatible identities hero versus king in frequent reference to greek epic and icelandic saga this revisionist approach to beowulf offers new interpretations of flyting rhetoric the custom of men dying with their lord and the poem's digressions

each number includes reviews and book notices

teachers edition to compliment students edition

perhaps the most important work written in old english beowulf grew out of a culture very different from ours and yet its story of war violence and heroism remains relevant to modern readers accessible to high school students general readers and undergraduates this companion overviews the poem and its legacy the initial chapters review the plot of beowulf while later chapters discuss its style and language its cultural and historical contexts and its afterlife in contemporary popular culture the first part of the book provides information of interest to a wide range of readers while the second covers more specialized topics thus the initial chapters review the merits of different translations and offer a detailed plot summary while later chapters discuss the poem s language and style its treatment of religion its relation to anglo saxon culture and its legacy in popular culture one of the greatest beowulf scholars was j r r tolkien and the book gives special attention to his use of the poem in his own fiction high school students undergraduates and general readers will find this book a valuable guide to one of the most challenging yet enduring works of english literature
